

Proposal for Collaboration

"Making Nepal financially literate."

MISSION

Aware and Educate Nepalese Community to their full potential by providing educational content and life changing skills.

Specially curated and hand picked course with a platform to grow more and make calculated decisions financially.

All in all, a bridge between educational system & practical field experience.

VISION

Empowering Nepalese Youth on financial literacy at an early stage to become prominent self dependent entrepreneurs in future.

ABOUT US

Founded in 2018 with a mission to build financial discipline in the masses by Sanjog Koirala, who is an Entrepreneur.

Ideapreneur Nepal aims to be an integrated platform that bundles Scientific financial planning, Handpicked courses and customized stock analytics into one convenient Account.

We are focused on empowering Nepalese youth through financial literacy having a life changing impact.

We educate and also spread awareness to young entrepreneurs into making right choice and help them in Making their idea into successful entrepreneurship. Ideapreneur stands for a place where **IDEAS meet ENTREPRENEURS.**

Cost per view on YouTube is Rs 1 – Rs 3

Placement Timestamp

Placement of the ad will be done within the first minute of the video

Mileage for the brand

Banner Ads

Banner Ads work wonders when it comes to marketing your brand the right way. Indirectly hits the psychology of consumers mindset regarding brand knowledge and recognition.

Dedicated video content

Dedicated video content can also be curated for the brand as per the requirement on mutual understanding. The video shall entirely be focused on the topic which is agreed upon by both parties. It shall be a direct promotion for the brand. Since the audience demographic of the channel and brand goes hand in hand, it can be a huge advantage to the brand.

Thank you!
Looking forward for the collaboration
